

WHO WE ARE...

About Us

Friends of Able came about when it became clear that there were little or no mainstream employment opportunities for People with Disabilities. This led to a teamwork effort between People with Disabilities registered with National Rehabilitation Board (NRB) and Cerebral Palsy Ireland (now known as Enable Ireland) to secure a project under the Part Time Opportunities Programme (PTJOP) under the auspices of CORI. CPI agreed to act as sponsor to the project and in December 1994 Friends of Able was born.
