FRIENDS OF ABLE

A better life for everyone!

About Us

Friends of ABLE Community Employment Scheme strives to promote the abilities of its participants, give opportunities to train for a chosen career path and provide support in the search for employment.

The CE Scheme gives participants the time to demonstrate to potential employers their commitment to full employment while contributing to the fabric of the community, the spirit inherent in all Kerry communities and promote the volunteer ethos that is the structure behind all Irish community groups.

Friends of ABLE demonstrates that if one achieves their full potential, this will in turn ensure equal opportunities and full participation in all aspects of the lives of its participants. With the support of the sponsoring committee we aim to promote a better quality of life for all people in the community, we have an expert awareness of the barriers faced by people in long term unemployment and have adopted a broad and realistic method towards breaking these barriers.

FRIENDS OF ABLE
A better life for everyone!

Kerry Parents & Friends Association

Established in 1973 to support families of people with an intellectual disability and the Franciscan Sisters of the Divine Motherhood in their work at St Mary of the Angels, Beaufort near Killarney. The Association became a service provider in its own right in 1978, in response to an urgent need for services for adults with an intellectual disability in Kerry. KPFA now provides Residential and Day Services, Training for Life, Community Integration Programmes and Individualised Services for more than 200 adults, in various locations throughout Kerry. Being a member of the National Federation of Voluntary Bodies it works in partnership with the HSE to provide quality services.

Oxfam Tralee

Oxfam has been located near the popular town square since 1998, and has been operating for over 24 years with a great selection of clothes for women, men, and children, along with music, books, jewellery, and bric-a-brac. The Oxfam store always accepts donations of quality undamaged items that others no longer want. Volunteers who join the Oxfam team are involved in the work that takes place within the heart of the shop which is a hive of activity with lots of chats, opportunities to meet new people, and learn new skills while having plenty of fun.

Enable Ireland - Adult and Children Services

Enable Ireland works in partnership with those who use their services to achieve maximum independence, choice and inclusion in their communities and focuses on the person, not the disability. They believe that access, inclusion and equality are basic rights for all people and assert that society must recognise and accommodate individual needs.

"All of us have a responsibility to adapt our world for the person with a disability rather than demand that that person adapts to us"

John O'Sullivan
CEO, Enable Ireland

Rathass Cemetery CE Scheme

Rathass / Ratass cemetery, the largest graveyard in Kerry and the main burial place for Tralee, dates from the early medieval Christian period, and the Ogham Stone in the church suggests the area had significance from an even earlier period. Today Rathass cemetery is maintained under the Rathass Cemetery CE Scheme which works alongside the Kerry County Council to help keep the cemetery clean, litter free and presentable to the towns standards. The scheme participants will complete industry standard training in manual handling, safe pass, pesticide distribution and several other environmental related courses.

Kerry Travellers Health & Community Development Project

It has been established since 1997 and is based on an acknowledgement of the separate and distinct culture of the Traveller Community. Participants working within the project work as either a community link worker or as an information officer. These officers are tasked with setting up group meetings within the Travelling Community, help improve integration into full time work or education, and making sure that members of the Travelling Community have full knowledge of all activities and events that are taking place within the project. They are also involved with working closely with the project Administrator as well with helping with the running of the office.

Adapt Kerry - Women's Refuge and Support Services

Established in the early 1990's by a group of parents in Tralee who were supporting their own adult daughters through the issue of Domestic Violence and were concerned about the impact of this trauma and the absence of a dedicated domestic violence service in the County. This local group fundraised for the construction of a refuge in Tralee to provide a place of safety for women and children in Kerry whose lives were affected by Domestic Violence. The local group was officially incorporated in 1992 as ADAPT Kerry Limited and opened its doors to its first families in 1996. Their aims are to offer support to female victims and their children, and to raise awareness of the issue.

Tralee Community Bridge Club

The Tralee Bridge Club provides an avenue for the bridge lovers to come together and participate in either a competitive or fun environment. The group meets most week nights and is open to all ages. The only pre-requisite to joining in is that you must love bridge! The participant will follow the ethos of providing a fun but competitive environment for people to meet and play a game they love.

Tralee Pitch and Putt Club

It was established in 1969 and it has provided an avenue for people who are passionate about the game to come together in a relaxing atmosphere. The Tralee Pitch and Putt Club is located in a quiet area, far from the hustle and bustle of the town and is open to every member of the public. The Club has membership options available, and also offers green fee rates for tourists, visitors or those who just only play it once in a while. Scheme participants will all receive extensive training in course management, landscape caretaking and maintenance including all relevant certification in health and safety requirements. Guidance in event and venue management will also be provided.

Austin Stacks GAA Club

Austin Stacks is an urban GAA Club in the heart of Tralee which caters for nearly 40 teams and 500 members. The Complex located in Connolly Park is in need of constant maintenance and the participants will be trained in Field maintenance, event management and will take part in the various training schemes run by ABLE which will allow them to round out their certification with regards to green keeping, general maintenance and caretaking. This partnership with a local volunteer organisation shows the community integration which is the foundation of the success of Community Employment.
