FRIENDS OF ABLE
A better life for everyone!

About Us

Friends of ABLE Community Employment Scheme strives to promote the abilities of its participants, give opportunities to train for a chosen career path and provide support in the search for employment.

The CE Scheme gives participants the time to demonstrate to potential employers their commitment to full employment while contributing to the fabric of the community, the spirit inherent in all Kerry communities and promote the volunteer ethos that is the structure behind all Irish community groups.

Friends of ABLE demonstrates that if one achieves their full potential, this will in turn ensure equal opportunities and full participation in all aspects of the lives of its participants. With the support of the sponsoring committee we aim to promote a better quality of life for all people in the community, we have an expert awareness of the barriers faced by people in long term unemployment and have adopted a broad and realistic method towards breaking these barriers.

While we didn't take home the award, being recognised among so many inspiring organisations is a true privilege. This nomination is a testament to the dedication of our staff and the impact of the work being done across Coolmine to support recovery and rebuild lives.

A heartfelt thank you to Charities Institute Ireland for the nomination, and congratulations to all the deserving winners on the night. It was a wonderful evening celebrating the strength and spirit of Ireland's charity sector.
